

### Travel directions to Trenale Court, Trenale, Tintagel PL34 0HP

Satnav will get you broadly to the right place (although a little further on the lane near the triangle!). Google maps does have the correct location - search for 'Trenale Court Cottages'. There are a few different options on the route to get here with two roads into Tintagel. We are more on the Bossiney side. Satnav (especially iPhone) usually picks a good route in our experience.

Here is one route option in case useful:

From Exeter take the A30 and just past Launceston follow the signs for the A395 towards Camelford. At the T junction with the A39 at Davidstow turn right, signposted Bude, then left almost immediately (Tintagel 6 miles). Left at the next T junction (Tintagel 4 ¾ miles). Follow this road across the B3266 and on down the hill towards Tintagel. Take the second turning on the left, signposted Trenale ¼ mile. The entrance to Trenale Court is about 200 yards on your right.

### Parking:

There are two driveways. The first gravel driveway is the main car park with access to the paddock, Robin's Nest Cottage and the rear of some of the cottages. The second tarmac driveway gives access to the courtyard. Parking for Hobby's, Titmouse, and Wren is on the courtyard driveway.

On arrival, call Clare on 07808 906107 or find Clare around the cottages or at the house. Our house is to the right of the main car park.
